AGENDA INFORMATION FOR TOWN HALL MEETINGS

Regarding Rule Revisions for HFS 110-113

The format of these meetings will be open discussion. We invite anyone who would like to submit written comments for consideration to submit them via e-mail to Brian Litza at brian.litza@dhs.wisconsin.gov or via US Mail to: Rule Comments, EMS Section, 1 W Wilson St, PO Box 2659, Madison, WI, 53701-2659 or in person at any of the town hall meetings.

The purpose of these meetings is to have an open discussion on proposed changes and illicit feedback and ideas to improve the draft of the rules. Information from these meetings will be used to assist the Emergency Medical Services Section and Emergency Medical Services Board in revision of the current draft into a final version to be forwarded through to the legislature. This is the EMS communities' opportunity to share their opinions and help direct EMS in Wisconsin.

It is our intention to have an open two way discussion answering any questions that are asked. In the best interest of time management, we will implement a 5 minute time limit for anyone wishing to make or read a statement. We will do our best to respond to all your questions. Should you have a question and desire to not be recognized, we will have space on our registration forms to write a question and have it answered without having to address the panel or the audience.
